

AL AIN JUNIORS SCHOOL, INDIAN SYSTEM

Grade 1-3 Issue 8

Newsletter Date: 28.2.19

Al Ain Juniors School, Indian System the Primary section celebrated the Science Month based on the theme **“INNOVATION MONTH”** from February 1st to 28th, 2019 in school premises, to honor the role of science and technology in the modern day lives of earthlings. A plethora of activities were organized throughout the month for the students under the able guidance of Vice Principal Mrs. Humera Sharief, HOD Mrs. Firdous Fatima and the teachers of Science Department. The ceiling, hallways and soft boards were laden with information related to three Habitats Grade 1 Desert, Grade 2 Ocean and Grade 3 Polar Region. In addition to this, interactive soft boards were also designed for the students to actively participate, showcase and promote their Scientific knowledge.

Science Month Activities

The Science Month started on 1st February 2019 with the tiny tots of Grade 1-3 indulging in a **Science Relay**. Through this activity children learned definitions in a very interesting running dictation method. **Spot Quizzes** were held throughout the month. Winners from each class were awarded with gifts in the classroom and outdoor activities.

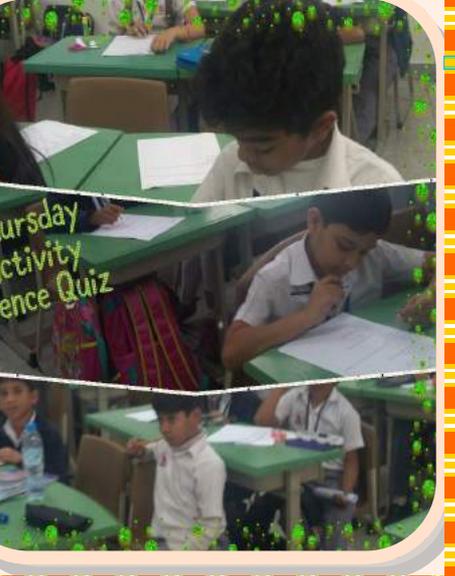

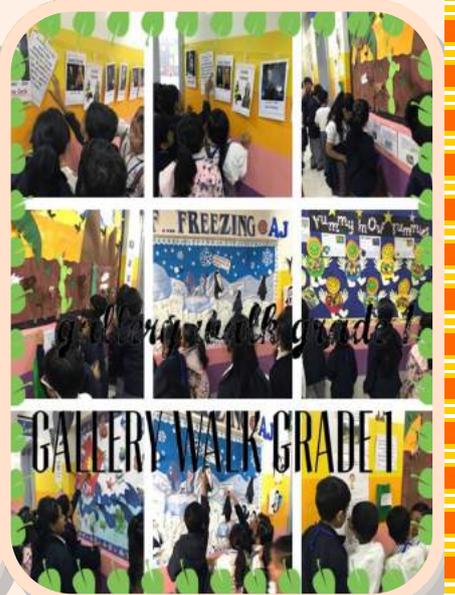

Continuing with the fervor, the students were energetically filled with enthusiasm and enjoyed the **Scavenger Hunt** which allowed students to practice problem-solving in a tangible way in which clues based on scientific principles and logical aptitude had to be chased in minimum time. **Gallery walk** through this activity they learned about the different habitats such as deserts, oceans and the polar region. The basic objective of celebration of Science Month was to propagate the message of importance of science and its application among the students. Activities like **Nutrition Day**, **Flip Class room**, **Rocking in rockets** were held to capture students' Interest in Science Subject."

AJ Health and Sports Festival

Al Ain Juniors School organized “AJ Sports and Health Festival” in collaboration with all its stake holders, students, teachers, parents and wider community to spread awareness on healthy life style. The main motive in this Year of Tolerance 2019 was to collaborate with everyone in the community. Featuring a number of Innovation displays, Melodious choir, Acrobatic displays, Games arena, Live Art, Science talk, Health check, Blood donation campaign and much more, the ‘AJ sports and Health Festival organized by Al Ain Juniors School, Al Ain on 7th February, 2019 marking a day of celebration and togetherness. The displays put up by Children from kindergarten to grade 12 provided a visual treat to the guests and parents.

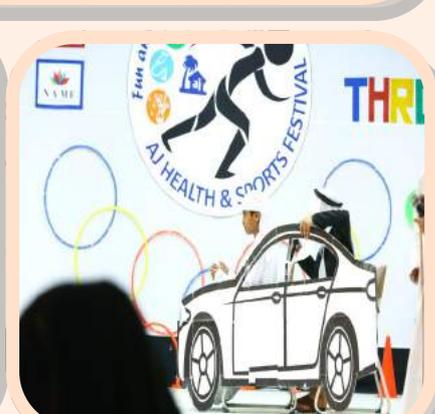

Culture of Innovation

On that day with a view to encourage and inculcate scientific temper amongst the students, the school also organised a Science Exhibition commemorating Innovation Day. A number of students from Grades 1– 3 participated with great zeal and zest. The parent fraternity was also invited and they attended the exhibition with great enthusiasm. The participants displayed their exhibits showcasing the scientific skills and creative thinking through self-designed working models and projects. Demonstrations and explanation were given by the participants. The spectators and teachers were greatly impressed by their performance. The event provided a platform for the budding students to express their creativity and gain confidence.

Science Exhibition

During the exhibition, the participating students shared their creative ideas and solution to everyday challenges through their innovative working / non-working models, exhibits, projects and presentations supported by reports, display and research findings. It was heartening to notice that the students had been inspired to conceptualize and initiate their personal scientific journey through self-motivation and with a concern for sustainability.

LET'S PLAY

Special Event

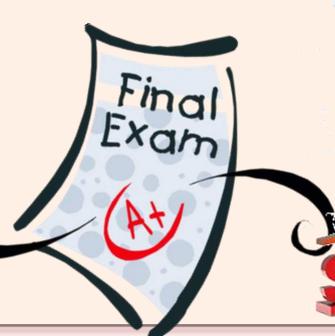

'AJ', PE Department organized Kids Football competition for Grades 1-3 in collaboration with UAE Year of Tolerance. All our four football teams participated with great enthusiasm. The day was a great experience in the life of students. In short the school tournament was a grand success. Thanks to PE Department for their effort.

On behalf of AJ Eco club, AJI Primary Grades 1-3 celebrated Recycling campaign to bring awareness about healthy environment among the students.

Upcoming Events!

It's Exam Time! Here's a BIG

GOOD LUCK!
wish to you

Sincere thanks to all the parents who cooperated and sent the projects for the Science Exhibition, required materials for the activities and competitions for the month of February. A special appreciation to all the students who took active participation in all the activities conducted.
