25th March 2021

**Subject: COVID-19 EXEMPTION: BIOLOGY, PHYSICS AND CHEMISTRY (PAPER 3)**

Dear Parents,

Greetings!

Kindly be informed that the departments of sciences (Biology, Physics & Chemistry) have advised that students taking the component above be exempted from it in the May/June 2021 series. This is to ensure they are not disadvantaged due to insufficient practical classes and sessions that they were unable to have due to Covid-19 restrictions. Cambridge is aware of this limitation and has given all students opting for this paper the opportunity to be exempted from it. This exemption would not adversely affect students' overall results in these subjects.

You are therefore requested to sign the acknowledgement form below and return same to your child's class teacher by email or via Microsoft Teams **not later than April 1, 2021**, to demonstrate your awareness of this information. For more details, find attached a factsheet on this exemption from Cambridge.
