Dear Valued Parents,

Assalamualaikum wa Rahmathullahi wa Barakatuh.

We hope & pray that you and your family are keeping well.

We all strongly believe that the Noble Qurán is the book of Allah. It has been revealed for our guidance. Therefore it is essential that we recite it with proper understanding.

قال رسول الله صلى الله عليه وسلم : "خيركم من تعلم القرآن وعلمه" ((رواه البخاري)).

The Messenger of Allah (ﷺ) said, "The best amongst you is the one who learns the Qur'an and teaches it."

We always strive for the best when it comes to selecting a house, clothes or food. We go to the best doctors for treatment, select the best schools for our children's education and so on. We need to realize, however, that all these blessings will, one day, come to an end.

As believers, we need to develop a strong faith in, and strive for, success in the afterlife. Allah has ensured success in the afterlife in proper recitation and understanding of the Qurán.

It is unfortunate that we tend not to put in the required effort in reciting and understanding the Qurán. We tend to devote our entire life to Dunya (worldly life) and neglect the Akhirah (afterlife).

We need to create an atmosphere in our homes, of learning the Qurán and teaching it to our children.

Al Ain Juniors School is one such institution that provides its students the opportunity to learn proper recitation of the Qurán along with worldly education. We request parents to take advantage of this golden opportunity and to ensure that their children learn to recite the Qurán with Tajweed, and go on to become memorizers of the Qurán.

Learning the Qurán will also have a positive impact on the children's character, they will develop obedience and come closer to Allah. Their Iman will be strengthened and they will feel at peace in their life. In this era of trials, we need to get even more attached to the Qurán.

Give your child the best possible gift by enrolling for this Hifz class and be assured of great reward and barakah for your child and for your family, insha'Allah.

### **Program Details:**
