Dear Valued Parent,

Greetings from Al Ain Juniors School!

We take great pride in informing you that AJB MUN -2021 was appreciated and applauded for its successful conduct in spite of disruption due to Covid-19.

As we all aware that Model United Nations has a proud and long history. It gives students an opportunity to learn about the international community and to interact with students who have similar interests. Students will learn and use a wide variety of skills. They will be researching and using critical analysis to help get ready to compete at conferences. Students will learn and use new public speaking and negotiation skills which will be valuable for their future. It aids in nurturing the ability to read between lines and broadens ones horizon for a better understanding of Global problems.

Kindly note that theme for AY 2022_2023 theme will be based on sustainable development goals **“Promoting Sustainability and Equal Opportunities”**.

Hence, we invite all our students to participate in **Al Ain Juniors Model United Nations (AJMUN)** sessions which will take place every Thursday from 2:30 p.m. to 3:30 p.m.
