Sub: “LETS INNOVATE”- Student project exhibition

Dear parents,

We are pleased to inform you regarding the upcoming intra - school Innovative Exhibition under the banner “**Let’s innovate**”. Al Ain Juniors School has been taking many initiatives to provide interactive, participatory, experiential/hands-on, innovative and creative learning experiences to learners in alignment with ADEK’s Educational transformation and innovation to create a knowledge-based economy. The exhibition provides an opportunity to ignite the interest among learners to create something new, creating an awareness among stakeholders about the close relationship between Science, Technology and Society.

THEME: Global problems, local solutions

The Projects can be prepared individually/group-wise with eco-friendly materials from the following topics:

- Health and well-being
- Resource management and food security
- Waste management and water body conservation
- Transport and Communication
- Digital and Technological solutions
- Mathematical modeling

The Students are also allowed to identify problems from their respective home countries/ UAE and propose innovative solutions in the form of RESEARCH PROPOSALS.

The exhibition will be held during the School hours on Friday, 24th Feb 2023. We request all students to actively take part in the initiative to acquire important skills.

Regards,

AJB
