Preparing for exams: Being well prepared for your exams is the best way to overcome stress, anxiety, and gives you the best chance of getting good grades.

1. Give yourself enough time to study; Read and review-early as often.
2. Use flowcharts, mind mapping techniques and diagrams; create flash cards; visualize the material.
3. Practice old exams. Stay focused.
4. Make sure your study space is organized.
5. If possible explain your answers to others.

Guidelines and Instruction

- NO OPAQUE Pouches are allowed. Only Transparent Pencil cases are permitted.
- Calculator cover will not allowed in the exam hall and No corrections Pens.
- Students should be seated in the exam room 15 minutes prior to the start of the exam.
