### School Timings Update – AY 2025–2026

As we begin the new academic year, we would like to ensure that all parents and students are well-informed about the **school reopening dates and daily schedules**. Maintaining consistent routines and punctuality is essential for supporting student success and smooth school operations.

In line with updated **guidelines from ADEK and M.O.E**, schools have been advised via policy during vacation to review and revise their operational hours for the **Academic Year 2025–2026 to accommodate**.
