**Your Feedback Needed - Annual Class Photography Survey**

Dear Valued Parents,

Greetings from Al Ain Juniors School!

We value your opinion and would like to hear about your recent experience with our Annual Class Photography service provided by Lensman Studio. Your feedback is essential in helping us evaluate and improve the services we offer to our school community.

We're seeking your honest feedback about various aspects of the photography service, including photo quality, the online ordering process, delivery experience, and any suggestions for improvement.

A brief survey has been created and will take 5–7 minutes to complete. All responses will remain anonymous.
