>About the Celebration

- Each day, **two classes** will celebrate together.
- Children will come **dressed as their chosen profession** (teacher, doctor, engineer, police officer, nurse, etc.).
- Students will take part in **short role plays and debates** explaining *how their future profession can serve the UAE*.
- The goal is to teach that **every career matters** — and that “*Together we build and serve our nation.*”

Learning Focus

During the month, teachers will guide children through:

- **Speaking & confidence activities** about their dream jobs.
- **Art and writing projects** titled "*My Future, My UAE.*"
- **A Wall of Service**, where students add handprints with their chosen professions.

Dress Code

- Simple, creative, **home-made costumes** representing their chosen profession.
- No need for ready-made market costumes — creativity and comfort are encouraged.

Mothers' Cultural Sharing Corner

To honour the **Year of Community 2025**, mothers are invited to share **traditional UAE dishes or cultural snacks** from their own countries on their child's celebration day. This will help students see that the UAE's strength lies in its **unity through diversity**.

Photos & Documentation

Photos and short videos will be taken for school displays, National Identity documentation, and ADEK evidence files.

Final Message

Through this celebration, our children will learn that **no role is too small** — every profession is valuable, and together we serve one nation with pride and love. "*No matter what we become, together we serve the UAE.*" Thank you for your continued support and cooperation.

With warm regards,
