## **SCIENCE THEMATIC MONTH 2025-26**

### ***Greenovation: Innovating for a Sustainable Future***

In September, Alain Juniors School celebrated Science Thematic Month with the theme "Greenovation: Innovating for a Sustainable Future." The celebration encouraged students to think critically, be creative, and understand how science and innovation can help build a greener world. The month was structured around four weekly themes, each highlighting a different aspect of science and sustainability. Students participated in activities that deepened their knowledge, sparked curiosity, and nurtured responsibility toward the environment.

#### ***Weekly Highlights***

##### ***Week 1: Planet Protectors' Week***

Students learned about environmental conservation and explored ways to protect the Earth.

##### ***Week 2: Healthy You, Healthy Planet***

The focus was on health and sustainability, showing how personal choices affect both people and the planet.

##### ***Week 3: Invent to Impact***

Students developed ideas and inventions that could make a positive difference in society.

##### ***Week 4: Expressions of Science***

Science and creativity came together as students expressed scientific ideas through art and imagination.

## Interactive Boards

## Interactive Boards

# Week 1– Planet Protector's week

In this activity, Grade 1 students learned that even young children can make a big difference in protecting the Earth. They discussed simple actions they could take, such as saving water, planting trees, and keeping their surroundings clean. Each student made a personal green promise to care for the planet. Their pledges were written and beautifully decorated, then displayed on the classroom board as a reminder of their commitment. The activity helped students develop a sense of responsibility and pride in contributing to a cleaner, greener world.

## Grade 1– ECO SPARKS

# Week 1– Planet Protector's week

## Grade 2– Egg Carton Flowers

Students created colourful flowers by cutting and painting sections of egg cartons, then assembled them into a bouquet and other creative forms .

# Week 1– Planet Protector's week

## Grade 3 Bottle Cap Craft

This activity was to create awareness among students about recycling and environmental conservation. By using discarded bottle caps to make creative crafts, students learned the importance of reducing waste in a fun and engaging way .

# Week 1– Planet Protector's week

Grade 4- Design a reusable ecofriendly bag

The activity aimed to create awareness among students about the importance of reducing plastic waste and protecting our environment. By designing their own reusable eco-friendly bags, students learned the value of sustainable alternatives, practiced creativity, and understood how small actions could make a big difference in conserving our planet.

# Week 1– Planet Protector's week

## Grade 5 -My Green Pledge

The activity aimed to encourage students to reflect on the importance of sustainability in their daily lives. By creating a personal sustainability pledge, students learned how small, eco-friendly actions can make a big difference in protecting the planet, improving community well-being, and supporting the UAE's vision for a greener future.

The only thing that stands between you and your dream is the will to try and the belief that it is

# Week 1– Planet Protector's week

The Eco-Style Challenge was designed to inspire students to think creatively about sustainability and responsible consumption. By reusing old materials, the activity aimed to reduce waste and encourage eco-conscious lifestyles. The objective was to nurture innovation, raise awareness about protecting the environment, and instill in students the belief that “small actions can lead to big changes.

# Week 4

Al Ain Juniors School organized Greenovation 2025 - Innovating for a Greener Tomorrow, a grand science exhibition showcasing students' creativity and scientific curiosity. Young innovators presented a variety of eco-friendly projects, experiments, and models focusing on sustainability, renewable energy, and environmental protection. It provided students with an excellent platform to apply scientific concepts, demonstrate problem-solving skills, and inspire others to care for the planet.

## SPOT QUIZ WINNERS

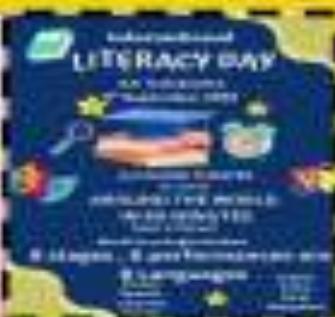

## International Literacy Day Celebration at AJI – A Spectacular Success!

AJI celebrated International Literacy Day on 11th September 2023 with great enthusiasm and excitement. The event, hosted by the English Department, took place at the AJI Globe Theater titled "Around the World in 80 Minutes", beginning at 1:00 pm. The celebration took the audience on a fascinating journey across cultures and languages, truly presenting the world in a single window. The program showcased 8 stages, 6 engaging performances, and 8 languages—English, Arabic, Hindi, Malayalam, Korean, Spanish, Japanese, and French. Students brought each language to life through expressive performances that reflected creativity, teamwork, and a love for learning. The event successfully highlighted the significance of literacy as a bridge between cultures. Overall, the celebration was a grand success, leaving everyone inspired and proud of the enriching experience created by the English Department.

## **International Literacy Day Assembly – Grade 5B**

On September 11, 2025, Grade 5B students celebrated World Literacy Day with an inspiring assembly. The event began with prayers in Arabic and English, followed by the UAE National Anthem and the School Song. Students shared the Thought for the Day, followed by updates on international and campus news, encouraging everyone to actively participate in September's Science activities.

The assembly featured a short skit, "The Power of Literacy," highlighting the importance of reading and writing. A poem recitation on literacy inspired all attendees, followed by a lively dance performance celebrating the joy of learning. The Vice Principal concluded the assembly with motivating words, reminding everyone of the power and importance of literacy.

# Milad-un-Nabi Assembly

The assembly was conducted on 03.09.2025 to honor the birth and noble character of Prophet Muhammad ﷺ, highlighting his role as a mercy to mankind. It began with a Qur'an recitation in Arabic and English translation, emphasizing verses about compassion and peace. Students from various grades delivered speeches portraying the Prophet ﷺ as a teacher, reformer, and role model who taught kindness and respect. A skit by Grades 3-5 illustrated how his teachings guide children in making good choices in daily life. The event concluded with a heartfelt nasheed, "Rahmatan Lil 'Alameen," and a flower show titled "Qalbi Fi Madinah," expressing love and admiration for the Prophet ﷺ.

## **5C CLASS ASSEMBLY-*ART OF FORGIVENESS***

**The Grade 5C class assembly held on Thursday, September 18, 2025, beautifully presented the theme “The Art of Forgiveness.” Through an engaging skit and a graceful dance, students conveyed the importance of letting go of anger and embracing kindness. Their confident performance and teamwork reflected true understanding of the message, leaving the audience inspired and appreciative.**

**"When you take risks, you learn that there will be times when you succeed, and there will be times when you fail, and both are equally important."**

*Al Ain Juniors proudly celebrated Science Month in September with an inspiring focus on Eat Right Get Active, Sustainability, Innovation, Space Exploration, and Art in Science. Students from all grades participated with great enthusiasm, achieving 100% involvement throughout the month. The celebration culminated in a grand Science Exhibition, where young innovators showcased their creative ideas, scientific models, and problem-solving skills. Their exhibits reflected curiosity, critical thinking, and a passion for innovation — truly capturing the essence of Science for a Sustainable Future.*

*A heartfelt appreciation goes out to all the parents for their continuous support, encouragement, and valuable contributions, which played a vital role in making Science Month a resounding success. Together, our students, teachers, and parents created a vibrant platform that celebrated learning, creativity, and the boundless wonders of science.*
