Subject: Important Update: Transition from Grade Structure to Year Structure from AY 2026–2027

Dear Parents,

Greetings from Al Ain Juniors School.

We would like to inform you of an important educational update approved by ADEK regarding our British Curriculum stream.

Beginning with the Academic Year 2026–2027, the school will transition from the current Grade-based structure to the internationally recognized Year-based structure used by British curriculum schools.

This change is an administrative and educational alignment process and does not impact your child's academic progression, curriculum, teachers, learning outcomes, or school placement.

Current Grade during AY 2025-2026	New Year in AY 2026- 2027 & onwards
KG1	FS2
KG2	Year 1
Grade 1	Year 2
Grade 2	Year 3
Grade 3	Year 4
Grade 4	Year 5
Grade 5	Year 6
Grade 6	Year 7
Grade 7	Year 8
Grade 8	Year 9
Grade 9	Year 10
Grade 10	Year 11
Grade 11	Year 12
Grade 12	Year 13

You will begin seeing this terminology reflected in school reports, communications, websites, forms, and other school documents for Academic Year 2026–2027.

We appreciate your understanding, continued support and cooperation.

Kind regards,

AJB Administration
