4th May, 2026

Subject: *Transition to Distance Learning | 5–8 May 2026*

Dear Parents and Students,

Greetings from Al Ain Juniors School.

We would like to inform you that, as per the official guidance received from the Abu Dhabi Department of Education and Knowledge (ADEK), all schools are required to transition to Distance Learning due to the current circumstances.

Accordingly, all classes will be conducted through Distance Learning from **Tuesday, 5 May 2026 until Friday, 8 May 2026.**

This directive applies to all students and staff. The official platform for Distance Learning will be Microsoft Teams (MS Teams).

Class Teachers and Subject Teachers will share the Distance Learning timetable via MS Teams along with guidance on lesson schedules and expectations.

Students are expected to attend online classes as per the shared timetable. Attendance will be marked as usual.

Parents are kindly requested to support their children by ensuring:

- Timely login and active participation in MS Teams classes
- Availability of required devices and stable internet connectivity
- A safe, quiet, and supportive learning environment at home

ADEK will continue to closely monitor the situation, and the school will share any further updates as and when received.

We appreciate your continued cooperation and support in ensuring continuity of learning and the well-being of our school community.

Warm regards,

AJS School Administration
