PowerPoint, textbook, notebooks, Activity sheets & videos.	<p>Helping the student complete worksheets and homework.</p> <p>Supporting the child in reciting verses correctly. Helping them practice good deeds in daily life.</p>

			Help them to recite surah by following Tajweed with the video shared in teams.
Moral Science	Students will be able to apply the value of time to real-life decisions by demonstrating how wisely spent time leads to a more purposeful, fulfilling, and meaningful life.	PPT Presentation Notebook Art Materials	Have a discussion with your child given the following questions: a. What is the most important thing you wish you spent more time on? Why? b. What moment in your life do you wish to last longer? Why? c. What advice about time do you wish someone told you earlier? Why?
English	<ul style="list-style-type: none"> Students will learn to present and organise arguments for and against a given topic in a debate format. Students will be able to critically analyse and evaluate a text by interpreting ideas, making inferences, and justifying their responses with evidence from the text. Students will effectively use commas to enhance clarity and organisation in writing. Correctly use participle adjectives (-ed / -ing) and arrange multiple adjectives in the correct order before nouns in spoken and written sentences. <p><u>DICTIONATION SENTENCES:</u></p> <p>1. May 01 is celebrated as International</p>	<ul style="list-style-type: none"> ❖ Cambridge ❖ Primary English Student’s book ❖ Activity book ❖ Notebooks 	<ul style="list-style-type: none"> ➤ Choose any short story or article your child is reading this week (book, magazine, or printed passage). ➤ Read it together — take turns reading one paragraph each. ➤ After reading, ask your child these 3 simple questions: <ul style="list-style-type: none"> • What was this story/article mainly about? • What was the most important part? Why? • What is one thing you learned or liked? <p>Write your child's answers in 2–3 sentences on the reply slip.</p>

	<p>Workers' Day, also known as Labour Day.</p> <ol style="list-style-type: none"> It commemorates the historic struggle of workers and the labour movement. Workers' rights and social justice are central themes of the day. In some cultures, May 01 is also associated with the arrival of spring and fertility celebrations. <p>Overall, May 01 serves as a reminder of the importance of solidarity and unity among workers worldwide.</p>		
Math	<ul style="list-style-type: none"> Compare ratios and determine if they are equivalent in real-life contexts. Understand and analyze direct proportion as a relationship between two quantities. Solve problems involving direct proportion using appropriate strategies. Apply ratio and proportion concepts to real-life situations (e.g., cooking, shopping, travel). Explain their reasoning clearly and check the accuracy of their solutions. 	<ul style="list-style-type: none"> Notebook Activity Book Activity sheet Sticky notes 	<ul style="list-style-type: none"> Apply: Do a simple activity (cooking, shopping, travel) and find ratios. Analyze: Ask your child to explain if the ratios are equivalent or not. Evaluate: Ask, "Are these quantities in direct proportion? Why?" Create: Ask your child to write a short reflection and share it with you.
Science	<p><u>Chapter 12- More About the Solar System</u></p> <p><u>Our Solar System</u></p> <p>Describe the position and movements of the planets, the Moon and the Sun in relation to one another within the Solar system.</p> <p><u>Phases of the Moon</u></p>	Student book, Activity Book, Notebook	<p>Support your child in completing Science Project and home works.</p> <p>Guide in Completing the notes and Revise week 4 and 5 concepts.</p>
